One of the most important points in the Minutes of the Meeting pertains to this Institution, which relates to the 'securing of public institutions from ingress of stray dogs.'

While reviewing the status of securing of public institutions from ingress of stray dogs, the Worthy Chief Secretary has issued strict directions that 'once a public institution has been reported as secured by the District Administration, the Head of the Institution shall be responsible for ensuring that the prescribed preventive measures remain in place.'

It has further been directed that in the event of any untoward incident involving a stray dog within the premises of such a secured institution, **'responsibility shall be fixed as per the applicable rules and instructions.'**

As per the the above directions, it is hereby made obligatory for all the Staff members of this Institution to ensure strict compliance with the following instructions:

1. 'No stray dog shall be allowed to make a habitat inside the College campus.' It shall be ensured that no stray dog takes shelter, stays or roams inside the campus, including in empty rooms, stores, bushes, junk areas or any other corner of the premises.

2. 'No member of this Institution, whether Teaching, Non-Teaching faculty member or student, shall feed the dogs anywhere inside the campus.' If feeding is to be done, the same activity shall be held 'outside the campus' only, at a place notified by the Municipal Authority.

3. 'It shall be the obligatory duty of the Non-Teaching Staff, particularly **the Chowkidars / Gatekeepers / Sweepers / MTS**,' to ensure that no dog is allowed to enter, roam or stay in the campus. The main gate shall not be kept open unnecessarily and any stray dog sighted inside the campus shall be reported immediately to the undersigned / **Nodal Officer**, who will ensure that the dog is immediately made to leave the campus, even if the help of municipal authority is to be taken.
, as per rules.

4. All Staff members shall ensure that no food waste / leftover is thrown in the open inside the campus, as the same attracts stray dogs.

All the Staff members are directed to take note of these instructions and ensure strict compliance in letter and spirit. Any violation / laxity in this regard shall be viewed seriously and responsibility shall be fixed as per rules.
